Re: Violation Report.

On April 15, 2005, Raymond N. Atoigue made an initial appearance before Magistrate Judge Joaquin V. E. Manibusan Jr. on an Indictment charging him with Count I: Attempted Possession With Intent To Distribute Methamphetamine Hydrochloride, in violation of 21 U.S.C. §841(a)(1) and Count II: Forfeiture Allegation, in violation of 21 U.S.C. §853. Pretrial release was revoked on September 7, 2005. On December 5, 2005 at the Sentencing Hearing, Mr. Atoigue was granted release with conditions and ordered to surrender for service of his sentence on December 26, 2005. He is alleged to have violated the following condition:

Special condition: *Submit to any method of testing required by the pretrial services office or the supervising officer for determining whether the defendant is using a prohibited substance. Defendant's release shall be immediately revoked if he tests positive for the use of a narcotic drug or fails to appear for a scheduled drug test.* In the evening of December 23, 2005, the defendant failed to appear for substance abuse testing.

Supervision Compliance: The probation officer has no information that suggests that he has not complied with other conditions of pretrial release.
